

## A Tale of Fantasy

As Blaze and Trixi stumbled outside with their suitcases, Firefly opened the door to their horse carriage. Blaze's hair shone in the sunlight. Blaze and Trixi got into the carriage and waved goodbye to Firefly. Time for a fresh start.

On the way to Royal High School, Trixi and Blaze thought of what it would be like. Trixi thought it would have an all-day breakfast bar but Blaze thought there would be a café with all the foods for whatever meal. They got into a huge argument over who would be right and Blaze suggested that they bet. Trixi and Blaze would squabble quite often about silly things like who would eat their dinner before everyone else. Being sisters it's natural to have arguments (I know siblings that quite often squabble over silly things). But Royal High will be a fresh start for them. Then the castle came into sight. They were there.

At first Trixi had a hard time paying Blaze £2 for winning the bet. Then they marvelled at the castle that they would now have to call their home. Then Blaze cried,

“Oh my! Get that mutt off my beautiful shoes!” There seemed to be a dog sat on Blaze's high heels. The puppy growled at Blaze as if to say I'm not a mutt, I'm a puppy! Then the dog transformed into a human.

“Oh you're an Animal Goddess!” Said Blaze.

“Yes. I'm Sky Goddess of Animals” She replied.

“Nice to meet you! I'm Trixi Goddess of Dark and Music!”

“And I'm Blaze, Goddess of Fire!” They all were happy to be meeting some new friends. But then the school bell rung. Time to go to bed on their first day at their new home.

### A Few Years Later

Blaze and Trixi were walking down the corridor when Blaze saw a familiar face.

“Maxi!!” Said Blaze running towards him. Maxi was his pet name that Blaze liked to call him. The rest of the school called him Max.

“Hey Blaze!” He replied.

“I can’t wait until tonight at the dance!” She said excitedly. The school bell rang signalling that it was time to get ready for the dance.

“Eeek!! See ya in a minute!” Said Blaze. Then Blaze and Trixi walk to the changing room. Then they walked to the dance with Sky and Max. They walked into the dance and it’s rather crowded as it’s a Friday night. The song Dyminate was playing so they all start to dance. Dyminate was their favourite song so they sang all the words.

“I throw my hands up in the air sometimes singing a oh! Gotta let go! I wanna celebrate and live my life singing a oh! Baby let’s go! We’re gunna rock the club, we’re gunna go all night, we’re going light this up, like its Dyminate! Yeah I told you once and I told you twice we go light this up like it’s Dyminate!” They all sang. But then Blaze stopped in her tracks.

“Who is that?” She asked.

“Dunno” Replied Trixi. Blaze walked up to a boy, with jet-black hair, with green eyes like the grasses of the Royal Gardens. He was obviously something to look at. At least Blaze thought so. As he turned to face Blaze, his hair flicked across his face. They stared at each other for a moment, Blaze’s crimson dress flowing down to her high heels, and her blonde hair stretching down to her back. Blaze’s face went super red (even though she is a fire goddess, this kind of red is the embarrassed red). The boy’s face did the same and they both just stood there in silence until Blaze said,

“What’s your name?”

“Zayn. What’s yours” The boy replied.

“Blaze. Nice to meet you. I will see you tomorrow!”

“Yeah, Bai!” Zayn replied. Max was not impressed and he ran to his dorm. Blaze stared at him as he walked off.

“Look who’s got a new crush!” Trixi said to Blaze.

## THE NEXT DAY

Sky walked around the school with her friends and a huge smile on her face.

“Hey Zayn, wanna go to the dance with me tonight?” Asked Blaze.

“Yeah ok, see you tonight” He replied. Blaze smiled brightly then turned around to Sky.

“And the huge smile why?” Asked Blaze.

“I’m going to the dance with someone”

“Who!”

“Max”

“WHAT!?!?” Blaze’s jaw dropped. Blaze asked where Max is and Trixi said in his dorm. Then Blaze ran towards his dorm. She banged on the door but he would not open the door.

“He’s not answering.” Said Blaze. Ding Ding Ding Ding Ding Ding Ding. Time for the dance.

“Trixi do I look nice? Do you think Zayn will like it? Do you think my hair is messy? I think my hair is messy. Hang on let me brush it again!” Said Blaze.

“Yes Zayn will love it and you don’t need to brush hair your hair for the 100<sup>th</sup> time!” Replied her sister. They walked to the dance and there standing Zayn, his hair almost invisible in the night sky of Saturday. Next to him was Max, Max was glaring at Zayn and Zayn was admiring how beautiful Blaze was. Her dress was again crimson, her hair this time in a high ponytail and her crown glowing in the darkness that was called night. They walked inside and the music was on, even louder than last night. Zayn and Blaze danced together as loads of people watched in awe. Most people knew that Max and Blaze were together but tonight was different. Blaze and Zayn were the couples of the night. No one else would be able to top their looks and their dance moves. Then then the bell rang out. Blaze knew that it was time. Time to dump Max. Max would no longer be her boyfriend. Nope. Never again.

Blaze was fuming at Max so she was stomping her way to his dorm. Sparks flew as she walked, her dress trailing behind her and her face was red with rage.

“Max! Open up!” Shouted Blaze as she bashed on Max’s door. He opened it he was standing in the doorway in his pyjamas then Sky came to the door also in her nightgown. Sky wasn’t too surprised her best friend was standing in the dark, with a face like a tomato. Then Blaze said,

“What are you two doing?”

“I’m moving into Max’s dorm.” Replied Sky

“Got a problem with that?” Said Max angrily. Then Zayn walked up to Blaze and put his hand on her shoulder.

“Yes.” Said Zayn. Blaze burst into tears and Zayn held her in his arms. Sky walked back into the dorm, seeing the awkwardness of the situation.

“Blaze.” Said Max.

“What?”

“I’m breaking up with you.”

“Good! That’s just what I was here to do!” She said in tears. Then Max slammed the door, and Zayn said,

“He’s no good for you, don’t listen to him”

“Your right. You will always be here right?” Said Blaze.

“Yes. And will you be my girlfriend?”

It was rather dark in the fire castle this night. Firefly was laying on her huge bed, awake with her phoenix that was ablaze on her perch. Then loud voices startled the phoenix. Firefly jumped from her bed and ran to the large window, like a young child hearing the bells of Father Christmas on Christmas Eve. She saw an angry mob marching to the castle, riding black horses and carrying black swords. Some people were carrying black bows. In the centre of the mob, Firefly saw someone familiar.

“Jake.” Said Firefly. Jake was Firefly’s former husband, the king of dark and evil. Firefly hates Jake but deep down she still loved him. She rushed downstairs the opened the door. Jake had already reached the door.

“Why hello Firefly. Long-time no see.” Said Jake.

“Why are you here?” Asked Firefly.

“Well of course I want to see my little girls.”

“There not little anymore and they have been sent to Royal High school”

“Oh. That wasn’t the reason I was here. I’m here to rule the world”

“What?”

Jake performed an amazing dance but the ending was what you would call unexpected. He swooped towards Firefly and stabbed her the chest. She fell to the floor and groaned like a falling tree. The Queen of Fire was officially dead.

Blaze was asleep in her bed when a scream pierced the silent night.

“Zayn?” She called to him as she walked to his dorm. She called his name again. No one replied. She opened his door to find no one in it and the window wide open.

“Zayn!” She cried tears filling her eyes. Trixi rushed in and saw the empty room.

“Oh Blaze I’m so sorry” Said her sister.

“Trixi! It must be dad. He wants to rule the world remember! We must stop him!” Cried Blaze. Her sister agreed with her, time to train.

Two beautiful horses ran across the plain. Two other horses joined them.

But they had reached their destination. The Dark Castle. Blaze and Trixi had trained for only a week, but the castle guards were excellent trainers. Time to Jake. They ran into the castle and bashed the servants out the way. Blaze saw Zayn being hurt by her own father and almost gave up. Trixi told her it was the right thing to do and she slashed Jake in the chest. He fell to the hard floor, his chest bleeding. They had done it. Jake was now dead.
